

Pitching in with extra elbow grease

The Early Start teacher we had in place at Russell Cave Elementary accepted a position at another school one week before school started, leaving us without anyone to set up the room and get things ready for students. Early Start employees **Mona Baker, Beth Dugan, Helen Miller-Bowles, Jennifer Crowe** and **Becky Bryant** came out to Russell Cave and spent several hours cleaning and getting the room ready for the new teacher who, due to the circumstances, wasn't hired in time to do any early preparations.
