

Dig into history!

Teachers are invited to schedule a field trip to Ashland, the historic Henry Clay Estate, for student archaeology digs. The program experience is geared primarily for kids in grades 4 through 8 and includes a tour of the estate and plenty of digging, sifting and discovering under the guidance of teachers from the University of Kentucky Department of Archaeology.

This hands-on learning experience will be available from October 1-19. For more information or to schedule a trip, call Becci Ray at 859-266-8581.
