

Teresa Elliott is such an excellent educator and band director at **Beaumont Middle School** that she went out of her way to appear with my son on the FCPS Channel 13 show, “Character Matters.” Cody chose Ms. Elliott to appear with him to discuss the character trait “thoroughness.” Ms. Elliott was so sick that day that she had to miss school and was even scheduled to have an MRI that day. When the appointment took much longer than expected, she left her MRI appointment so that she would not miss being on “Character Matters” with my son. Her impact and influence on our son goes far beyond the band room. We are so thankful for all she does for her very fortunate students!
