

The driver of bus #725, **Jeff Robinson**, dropped my child and a neighbor at their stop. On his way back out of the neighborhood he realized the other child's parent was not yet home and the child was unable to get in the house (it was a cold, windy day). He stopped to make sure the child was okay and called me (because my daughter was there trying to help) to see if I knew where the parents were. The child is not a kindergartener so there was no reason he had to stop. I really appreciated the fact that he took the time to make sure the child was safe and okay.
