

After school, on alternating Wednesdays, a group of 32 fourth and fifth grade girls enter the classroom of **Mrs. Willa Riggs** and **Mrs. Betty Ross** at Dixie Elementary. It is in this room that the “Dixie Chicks” club meets to develop life skills. Each week the girls are greeted by a welcome banner and special treat. It is so much fun to find surprises awaiting us each week. The girls feel so special and loved as a result of the hospitality and kind gestures of these two staff members. Both women are so generous and humble that we never get to thank them in person. On behalf of the “Dixie Chicks” members and leaders, this is our THANK YOU to our resident Freds.
