

What's your vision for Destination 2040?

Mayor Jim Newberry and the Lexington-Fayette Urban County Council invite everyone to help develop a shared vision and a common sense of direction for our community's future.

The purpose of Destination 2040 is to craft a consciously chosen dream that has the widespread support, quality, commitment and follow-through needed to endure.

Destination 2040 is organized around a root question about the tough choices we need to make together: "How will we protect all that we value while continuing to grow as a community?"

If you'd like to learn more or share your ideas, come to a public meeting:

- 7-8:30 p.m. Tuesday Feb. 19 at Lafayette High School
- 7-8:30 p.m. Tuesday Feb. 26 at Paul Laurence Dunbar High School
- 7-8:30 p.m. Tuesday March 11 at Henry Clay High School
