

Ann Rea Anderson is the curriculum coach at Jessie M. Clark Middle School, but she does a lot more than her title! She goes above and beyond every single day she is at school. She has worked extremely hard this year with our new Eagle Time Class, devoting countless hours after school to coordinating lessons. She is on the morning news every day, even helping the news crew get organized, relaying information to the staff and students. The time she puts in with PAS tests, Learning Checks, portfolios, CATS Testing and faculty meetings is something to be recognized. She is always bright and cheery and willing to help anyone whenever they need it. She will cover classes for teachers, attend ARCs, run a copy for you in a pinch, meet with students, help out in the front office and do last-minute things for everyone, and she is always smiling! She is FRED for sure!
