

## **Kudos**

To **Paul Laurence Dunbar students** who competed in the Junior Engineering Technical Society's TEAMS contest, sponsored by the University of Kentucky's College of Engineering. Students from 21 high schools across the state competed Feb. 16, working in groups to solve engineering design challenges.

In the varsity division, Dunbar's Team A (**Ben Nosarzewski, Connie Wu, David Parell, Katie Harrington, Mimi Yang, Nan Hu** and **Emily Cawler**) took first place overall, and Team B (**Cindy Wong, David Lock, Jeremy Zhao, Michael Johnson, Michael Shen, Scott Calvert, Han Shi** and **Kyle Rosenberg**) came in third.

In the junior varsity division, Dunbar's Team D (**Aaron Davidson, Anuj Patwardhan, Brian Fei, Darshali Vyas, Oliver Zhang, Ping Chen, Rahul Joseph** and **Ranajay Sen**) took first place, and Team E (**Anthony Concepcion, Dillan Hickman, Jacki Young, Roshan Pali, Sonya Hildebrand, Taylor Mitchell, Vicki Harrington** and **Paul Parell**) came in third.
