

Bowlers qualify for state tourney

The Bryan Station High girls bowling team was in first place at the end of the regular season. Team members are Maggie Horton, Jennifer Johnson, Tiffany Russell, Crystal Land and Brooke Howard; Ashley Howard is their coach.

The regular-season winner on the boys side was Paul Laurence Dunbar. Team members are David Tooley, Steven Fagan, Taylor Watson, Cameron Ewert, Andrew Luy and Parth Parkeh; Kenny Hohensee is their coach.

Both city-wide champion teams qualified to advance to the state competition, along with the Lafayette girls, Lafayette boys, Henry Clay boys and Tates Creek High boys. Those teams didn't win their division but competed in a tournament to earn additional spots at the state level.

The state tournament was set for March 8 in Louisville, but was postponed because of the snowstorm. It is rescheduled for March 29, the first weekend of FCPS' Spring Break.
