

‘Buster’ knows his school bus safety!

Students and staff at 23 elementary schools have learned about bus safety this year compliments of “Buster the Bus” and the FCPS transportation department.

Buster spoke with the kids about behavior at the bus stop, bus stop arrival times, school bus danger zones and hazards like backpacks and long shoe laces that could put them in harm’s way.

Students also entered a “Buster the Bus” coloring contest. Congratulations to these winners:

- **Ji’ya Alcorn**, Early Start, Breckinridge Elementary;
