

Kudos

To **Kevin Overall** and **Evan Shirley**, who were two of only three students in Kentucky to earn a perfect 36 on the ACT college entrance exam in June. A senior at Paul Laurence Dunbar High School, Overall wants to major in architecture. Shirley, a senior at Lafayette High, is in the school's pre-engineering program. The ACT consists of tests in English, math, reading and science. The composite score is the average of the four. Only one in 4,000 test-takers nationally earns a perfect score on the ACT.
