To Martin Luther King Jr. Academy students **Destiny Dansby, Jessica Hayden, Lamonica Ingram, Tori Ivey, Shaniquia Patten, Kearria Pennie** and **Briana Webb**, who delivered 130 gift bags to patients at the Veterans Administration hospital on Leestown Road. The kids were accompanied Sept. 5 by health education teacher Elzada Azikiwe and math teacher Bobby Storie. Azikiwe said the gift bags, filled with items such as lotion, toothpaste and lip balm, were leftover from a May project in which students assembled care packages for Kentucky units serving in war zones.
