

Eighty-four FCPS students chosen for all-state chorus

Dozens of talented kids from Fayette County Public Schools have been selected for the Kentucky Chapter of the American Choral Directors Association's three honors choirs, for students in grades 5-9.

The all-state choirs (one for fifth- and sixth-graders and two for the older students) will gather during the KYACDA's fall convocation Oct. 31 here in Lexington and will present a public concert at 3 p.m. Nov. 1 at the Singletary Center for the Arts at the University of Kentucky. Admission is \$1.

The SATB Choir will be directed by Henry Leck of the Indianapolis Children's Choir, the SSA Choir by Sandy Holland of the Charlotte (NC) Children's Choir, and the 5/6 Choir by Jill Campbell of the Lexington (KY) Children's Choir.

Congratulations to these [84 outstanding music students](#) from across our school district!
