

## Swimmers earn Scholastic All-American honors

USA Swimming, the sport's national governing body, has named two FCPS students Scholastic All-Americans for 2007-08.

Cal Staben, a senior at Henry Clay High School, and Kristen Wilson, a junior at Paul Laurence Dunbar High School, were selected for their record of outstanding achievement in the classroom and the pool.

"It's a culmination of what I've been working for. It's been 11 years that I've been swimming, and it's nice to get a reward finally," said Staben, who rates No. 10 in the country in the 100-meter breaststroke in his age group.

Wilson has been swimming competitively for seven years. "It's really an honor because I feel like a lot of my hard work has finally paid off," she said of the award from USA Swimming, which noted her performance in the 50 and 100 freestyle.

"Last time I checked, I was in the top 16" in the country in the 50, she said.
