

Kids Helping Kids brings in donations for food bank

Thousands of students across the school district participated in the annual Kids Helping Kids Food Drive to benefit God's Pantry. Together our kids donated nearly 85,000 pounds of food in this fall's campaign, sponsored by Toyota Motor Manufacturing of Kentucky.

The competition is based on the pounds of food collected per student at each school level.

- First place and \$500 cash awards went to Meadowthorpe Elementary, Edythe J. Hayes Middle School and Eastside Technical Center.
- Second place and \$300 awards went to Cassidy Elementary, Jessie Clark Middle and Henry Clay High School.
- Third place and \$125 awards went to Rosa Parks Elementary and SCAPA Bluegrass.
- Liberty Elementary and Leestown Middle were named "most improved" and received \$175 awards.
