

Eastside competes in FFA contests

Students from Eastside Technical Center were among the nearly two dozen chapters competing in the Bluegrass FFA Regional Quiz Bowl, held Dec. 2 at Clark County High School.

The contests included breed, equipment and feed identification and a series of questions about each particular industry. Ten teams squared off in each event except for aquaculture, which had about half that number.

Here's how Eastside students fared:

Aquaculture Bowl – 2nd place: Donielle Johnson, team high and regional 3rd place; other team members Justin Brindley, Ben Martin and Grace Connelley.

Beef Bowl – 3rd place: Kristen Arvin, team high; other team members Ben Martin, Aimee Morgan and Justin Brindley.

Small Animal Bowl – 4th place: Emma Ellis, team high; other team members Donielle Johnson, Abi Ross and Chelsea Hardin.

Equine Bowl – 5th place: Alyss Zimmerman, team high; other team members Kristen Arvin, Grace Connelley and Erin Stephens.
