

It's time to register for kindergarten

- [Espanol](#)

Registration opens Feb. 19 for students who will start kindergarten in the fall of 2009. And for the first time, the district will offer evening registration hours to help meet the needs of our families.

Any child who turns 5 on or before Oct. 1 is eligible for full-day kindergarten this August. To enroll a child, families should go to the school their neighborhood is assigned to and fill out a registration packet. Families can find their neighborhood's assigned school using our [online street directory](#) or by calling (859) 381-4315 or (859) 381-4130.

Families who want to enroll their child in a school other than their neighborhood's assigned school must complete an [out-of-area request](#). Those applications will be available when the registration windows open, but decisions about those requests are not made until May. It is still recommended that you register at your neighborhood school to reserve a spot. Call (859) 381-4122 for more information.
