

## **Dunbar kids dominate TEAMS at UK**

Paul Laurence Dunbar High School sent three teams of students to the Test of Engineering Aptitude in Math and Science (called TEAMS) at the University of Kentucky, and all three earned high honors!

Varsity Team A won first place, Varsity Team B took second, and the JV team earned first place in the JV division. Varsity Team A was first overall, and each member will receive a \$1,000 scholarship to UK.

Congratulations to all these participants:

**Varsity Team A:** Connie Wu, Mimi Yang, Ben Nosarzewski, Elliott Rosenberg, Scott Calvert, Michael Johnson, Stuart Ewen and Yohanna Hanna.

**Varsity Team B:** Brian Fei, Darshali Vyas, Ranajay Sen, Anuj Patwardhan, Rahul Joseph, Oliver Zhang, Ping Chen and Aaron Davidson.

**JV Team:** Roshan Palli, Taylor Mitchell, Sonya Hildebrand, Vicki Harrington, Jay Li, Paul Parell, Dillon Hickman and Tony Concepcion.
