

Cheri Sanger of Veterans Park Elementary called our home to make sure I was aware that the chorus schedule had changed from Monday to Friday. She was double-checking just to make sure I would meet my daughter for her walk home so that she would be safe. As it turns out, I did forget the schedule change, and Reagan would have been left to walk home by herself. I can't tell you how thankful I am that Mrs. Sanger took the time to double-check and call me. Thank you, Mrs. Sanger!
