

‘Buster’ announces coloring contest winners

Students and staff at 23 elementary schools have learned about school bus safety this year with the help of “Buster the Bus” and the district’s Transportation Department.

“Buster,” a remote-controlled school bus robot, teaches kids about proper behavior at the bus stop, bus stop arrival times, school bus danger zones and hazards like long shoe laces that can cause a trip on the bus steps.

Students also competed in a “Buster the Bus” coloring contest. The winners included:

- Early Start: Alyssa Brown, Dixie Elementary Magnet School
- Kindergarten: John Choi, Glendover Elementary
- 1st grade: Billy Norman, Tates Creek Elementary
- 2nd grade: Brittany Catlett, Mary Todd Elementary
- 3rd grade: Caitlin Southworth, Ashland Elementary
- 4th grade: Amoni Adair, Deep Springs Elementary
- 5th grade: Mahmoud Abdel, Millcreek Elementary

Attention, principals: The schedule for the “Buster the Bus” safety program is filling up rapidly. If your school wants to set up a lesson for the fall, call Tiffany Lowery at (859) 381-4504 or Wardy Mason at (859) 381-4317.
