

It's time to celebrate retirement!

Businesses throughout our community have stepped forward to make it possible to celebrate the retirement of outgoing FCPS employees this spring. A retirement celebration dinner will be held at the Embassy Suites on Tuesday May 26.

In order to attend the dinner, employees must notify Human Resources by Friday May 15 if they intend to retire this year. Employees who decide after that date to retire will be invited to next year's dinner. Call Diana Marshall Shoop at (859) 381-4118 for more information.

All retirees will receive dinner for themselves and a guest as a gift from our generous sponsors. Additional tickets may be purchased for \$40 each. Friends and colleagues may call the communications office at (859) 381-4108 to buy tickets. Also this year, friends, family and colleagues may purchase ads and send well wishes in the retirement celebration program. Prices are \$150 for a full page or \$75 for a half page.

Thanks to all of our retirees for their years of service to the kids of Fayette County.
