

## **Seniors honor their most influential teachers**

Nearly 70 graduating seniors and their most influential teachers, coaches and mentors were honored as FAME Award winners this spring. The student-teacher pairs, selected on the strength of the essay submissions, were invited to a May 3 program celebrating the special influence educators can have on the lives of the students they serve.

Five students received \$100 book scholarships from [www.ecampus.com](http://www.ecampus.com): Eric Burnside of Lafayette High School, Hinal Gandhi of Bryan Station High, Jennifer Minor of Henry Clay High, Ashley Phillips of Tates Creek High and Daniel Rouse of Paul Laurence Dunbar High.
