

## **Retirees honored for years of service**

FCPS employees celebrated their retirement in style with a recent dinner at Embassy Suites – made possible by the generosity of local businesses and community members. The 2009 retirees have a combined 3,253+ years of service to our kids! Each retiree will receive a gift of a rocking chair (provided through donations) in honor of his or her commitment to the children of Fayette County. Each chair is affixed with a special plaque marking the number of years our hard-working retirees have believed “It’s About Kids.” These valued employees have truly helped shape the future of our community.
