

## **In honor of Veterans Day**

A special edition of Stu's News on Veterans Day will recognize Fayette County Public Schools employees and their loved ones who have served in the armed services. We need your help in updating the information from last year. Please review the [2008 list](#), and send your changes and additions to [veterans.list@fayette.kyschools.us](mailto:veterans.list@fayette.kyschools.us) **by 5 p.m. Friday Nov. 6**. Please include the employee's name, school or department, relationship and name of veteran or active service member, branch of service and status (such as retired, veteran, stationed in Afghanistan, served in Vietnam, etc.).
